

JUICER

Slow Juicer SJ 200

Design juicer

Fresh and healthy

Fit and healthy with fresh juices

Fruits and vegetables have many essential nutrients which are retained 100% during self-made juice. The contained enzymes act as the spark for a vital metabolism to process vitamins and minerals. In the industrial produced juices, these nutrients are enormously reduced as during the processing chain, cold and hot temperature fluctuations affects the ingredients.

- + Perfect for juicing many soft fruits, vegetables
- + Power: 200 watt
- + Serves great tasting smooth juice
- + Stainless steel housing
- + Two step safety start system
- + Easy to assemble, disassemble and clean
