# COFFEE MACHINE

## Coffee One

Programmable Coffeemaker

Optimum brewing temperature of 205 °F

Touch Display

### Real coffee experience

We have been wondering how to make a coffee filter machine even better. Therefore, we have developed a large control display with touch function for the new CASO Coffee One. It has a very modern style and the operating comfort is "State of the Art". The brewing system makes delicious aromatic coffee, which remains really fresh due to two selectable holding temperatures.

Select the auto - timer function the coffee fragrance sweetens your morning!

- + Brews a great tasting hot cup of coffee served at over 200°F
- + Electronic touch control display
- + The brewed coffee remains fresh due to two holding keep warm temperatures
- + Large over 50 oz glass carafe
- + Programmable brewing timer
